CIGNA'S HEALTH IMPROVEMENT TOUR There are four key health numbers that you should know about yourself - blood pressure, blood sugar, cholesterol, and body mass index (BMI) - which Cigna calls the Core Four. Knowing your Core Four, you can identify potential risks for major chronic diseases such as diabetes and heart disease, plus knowing can help underlie health costs. Cigna's Health Improvement Tour will offer biometric screenings and their health coaches will help you understand your Core Four numbers and explain what follow-up steps to take.

WIN A GIFT CARD TO SHOP THE BELK PAVILION We will be giving away one \$20 Belk gift card every hour throughout the show! Enter to win at the registration table by the Show Entrance.
