We've got a spot for you!

A parking spot, that is.

Park! Center City is a validation program that saves you time and money when you park uptown.

Visit a participating Center City business and receive validation coins (each worth \$1) for either garage or onstreet parking.

And if you're taking mass transit into uptown, use the coins for trips on Charlotte Area Transit System's (CATS) buses and the LYNX light rail line.
