

# Equipment Setup, Cleaning and Detailing Service

## 2025 Southern Farm Show

The Agricultural Institute Club at NC State University is again offering equipment, power washing and detail service at the 2025 Southern Farm Show as a fundraiser for the club. We are looking forward to helping you with your equipment washing needs.

Reservations are available between 8:00am and 8:00pm on Monday, February 3rd and Tuesday, February 4th.

You will need to bring the equipment to the parking at the rear of the Jim Graham building.

The cost this year will be \$35/half-hour and \$60/hour.

**Walk ups:** Those with appointments will be served first and walk ups will only be serviced if there are available students and time. Walk ups are not guaranteed to receive service.

Pressure washing appointments are in 30-minute increments and detailing appointments are in 45-minute increments. If the equipment comes from the field, estimated washing time is approx. 2 hours. If equipment is coming off the road, estimated washing time is approx. 1 hour.

Upon appointment confirmation please let us know:

- Name and Contact Information
- How many pieces of equipment
- If you would like us to use your cleaning supplies
- Exhibit Space Number and Location

Please keep in mind that this is a student-led service and we will do our best to accommodate everyone.

**If you would like to set up an appointment over the phone/ email,**

**please contact the AGI Club president. Katelyn Medlin, at  
Call: (984) 789-1636  
Email: kvmedlin@ncsu.edu**

Payments can be made in advance, or at time of service. Credit cards will be accepted in advance and onsite. Checks should be made out to: Agricultural Institute Club
