|--------------------------|----|

Every employer having employees earning wages in SC must register for withholding. Other types of payments also require state tax withholding. See instructions for more information.

20. Check the box that applies to your business:

□ 02 **Resident business:** Principal place of business is inside South Carolina.

□ 05 **Nonresident Business:** Principal place of business is outside of South Carolina.

## 21. Filing Frequency:

| <b>Quarterly:</b> Returns must be filed every quarter | er. |

01 **Annual:** All employees are household employees, farmers, fishermen or ministers. Returns are filed at the end of each calendar year.

# 22. Anticipated Date of First Payroll (mm/dd/yyyy): \_

This date will be used as the open date of your withholding account, and returns must be filed beginning with this date regardless of activity.

## Section D: Nonresident Withholding Exemption

Check the appropriate block to administratively register with the Department and claim exemption from nonresident withholding required by SC Code Sections 12-8-540 (rents and royalties), 12-8-550 (temporarily doing business or performing services in SC), or 12-8-570 (trust or estate beneficiaries). The exempt person agrees to be subject to the jurisdiction of the Department and the S.C. courts to determine S.C. tax liability, including withholding, estimated taxes, and interest and penalties, if any. Registering is not an admission of tax liability, and, does not, by itself, require the filing of a tax return.

See instructions for further information.
