This wireless service is available throughout the convention center. Please note that Exhibitor Internet is sold on a per-device basis (not per room or named installation).

WiFi Connection Guide

- Open your browser (Internet Explorer, Firefox, Safari, or other standard browser). You should see a page resembling the graphic shown.*
- If this is your initial purchase, enter your username (email address) and password in the area shown on the left and click BUY NOW. Follow additional prompts to complete your purchase or log-in. Refer to service options and limitations shown to the right.
- If you have already created an account and are returning for an additional session, click LOGIN.

*If you do not see the above screenshot when you open your browser, please refresh your browser. If you still do not see this page you may need to manually select the SSID (network name) by following your computer's procedure for viewing and selecting a wireless network. The Smart City SSIDs to look for are "Exhibitor Internet" or "Instant Internet".

Wireless Options

Depending on where you are in the facility, you will see one or both of the following SSIDs (network names).
