Exhibitor Comments

FANTASTIC show this year! We are looking forward to next year's show and having a bigger booth for a more interactive customer experience.

Farm Power Implements

Thanks again for everything. The show was a great turnout for us once again.

Montague Farms

Just want to say "thank you" again for putting on a great show.

Martin Industries

The Southern Farm Show has been the most successful show for my company and my manufacturers for the southeastern territory of the country. Great good quality traffic for both the agriculture and construction industries.

Jesse Rast Enterprises

We participate in six or seven shows every year, and the Southern Farm Show is the best one. We always sell machines.
