

CREATE YOUR FREE WEBPAGE AND COUPON

One of the benefits of exhibiting in a Southern Shows, Inc. event is the ability to promote your company through a free webpage tied to your listing on the show website. Along with your promotional page, you can also create a coupon to help attract show guests to your exhibit.

Your page should be designed to let show guests know what you will be doing at the show, should encourage them to look for you there, and should help them to easily find you after the show is over. This page, which you set up and control, can include:

- Your logo
- Photos of your product
- A description of your company and products
- A coupon to attract show guests to your exhibit
- Your website address

Shortly after you receive your exhibit space confirmation, you will receive an email letting you know your company has been posted to the show website. The email will provide you with instructions for setting up your page. If you have already established a webpage, it will encourage you to make sure it is up to date.

Once you create your webpage, it is yours to control and update as needed. There are several important things to know about your webpage:

- It is tied to the email address that you included on your application
- Your page, and any coupon attached to it, will post to the websites of all the Southern Shows, Inc. events that you are contracted for. Therefore, if you're in more than one show, you'll want to make sure the content (and coupon if you create one) applies to all shows. Or you will want to update it before each show.
- Even if you're only participating in one event each year, your website will re-post the next time you participate in that show. Therefore, you'll want to make sure the information is correct for the following year.
